It's not a cheap voice effect like any other voice changer on the market. If you've tried voice changes in the past, you've probably encountered voice changers that just change the pitch or speed of your voice, or put a horrible echo effect or dry your voice using a frequency gate or other very simple effect... It's not us, we're the real deal. Try our changing celebrity voice for yourself. For the first time, you can say anything in English, and you've been told about it by a huge group of celebrity A-listers. To use the app, make sure you have an Internet connection, then tap the microphone and speak. It will automatically show silence. It should only take a few seconds to create a video of your changed voice back to you. You can then share the video (which contains a changed voice). Legal notice: ALL ORIGINAL CONTENT AND ILLUSTRATIONS - NO IMPITUS AFFILIATION OR ENDORSEMENT - NO CELEBRITY NAMES OR LIKENESSES - IMPRESSIONS FOR THE PURPOSE OF PARODY - VOICES - IT'S JUST AN IMPRESSION - NOT A SOUND BOARD - Changing the voice of celebrities is meant to be used as a parody and to create a parody. HatsOfApps does not claim to belong to any celebrity who is parodied. All content within Celebrity Voice Changer is original, and there are no celebrities or brands; only our bad impressions. HatsOffApps uses user-generated content to create technology and create user-generated voice changes. Faq: *Can I invite a new voice? So! Tweet it and ask us in your comments (we read them), we'll focus on the most requested voices, so get your friends to invite Voice Changer Voices tool * Sometimes it's perfect, but sometimes I don't understand what it says, can you do it better? Yes, and we're working on it. The technology of deep learning on the technology of our partner automatically learns and makes an impression of the voices of celebrities without any human training. The technology isn't perfect yet, but we're getting there. With your support, we will continue to work until the voices are turned out of the human voice. We are also working on real-time voice change technology in conjunction with our partner. Our technology makes it possible to change the voice, not just mask the voice or change your voice to the FX chain, making it look like a monster or chipmuke. * Can you make a specific celebrity voice? So. We can do any voice. Our partner's technology learns to impress people by listening to tens of thousands of hours of human speech. We use our own neural network that transforms voice to the voice font, or text in a silent voice. In order for us to make an impression, we need audio to create a celebrity celebrity voice We will soon make our partners' community available on our website and download any voice impressions we will use to make voices. So. We can do any voice. Our partner's technology learns to impress people by listening to tens of thousands of hours of human speech. We use our own neural network that turns a human voice into a voice font, or text into a speech-like voice. In order for us to make an impression, we need audio to give the impression of a celebrity's voice. We will soon make our partners' community available on our website and download any voice impressions we will use to make voices. * If it's a change of voice, how does it only work in English? Our core technology is using speech recognition and voice cloning to bring the impression of parody to the voice of a celebrity. It is now only available in English. *Do you support other languages? Yes, but we haven't built support into our app yet. If we continue to receive demand, we will build it. * Why video instead of just audio? Our partner wants their branding to be linked to our app, so the video has a watermark. * Can I take audio from the video and use it for (insert any use case here)? We may grant you the right to share videos anywhere in its original form. You can then post it on any social network, or send it to SMS or email, but you can't edit, reconstruct or modify the resulting video without written permission.
